

Collapsing in Hyalite

Hyalite - East Fork

Northern Gallatin

12/29/2023

Code

Latitude

45.41000

Longitude

-110.93100

Notes

Skiers felt collapsing while touring near Heather Lake.

From obs: "I got one relatively large [collapse](#) as I stepped out in the open near Heather Lake, and then 5-6 smaller ones as I looped around above it."
